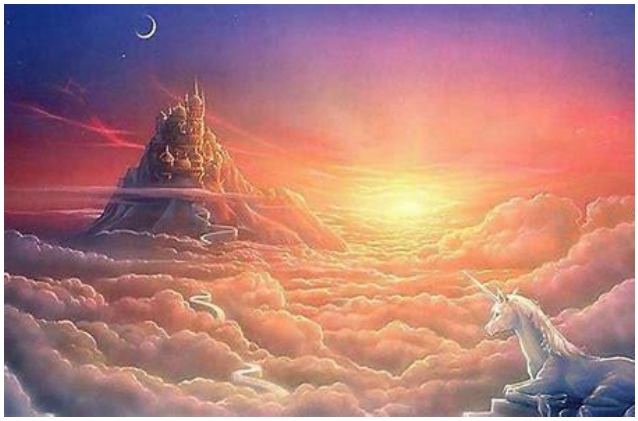
Creative Writing Homework – Preparation for end of year test



Write a narrative (story) entitled 'The Lost Kingdom'

You may use the pictures to help you but you don't have to.

You must write your story by hand, not on the computer.

Use the techniques and structure we have been working on in lessons:

- Establish a setting using lots of descriptive words (forest/village/ mountain)
- Introduce a character (fairy, knight, Centaur)
- Introduce a magical object (wand/jewellery/crystal ball/cloak/weapon)
- End your story by making a link back to the beginning (perhaps the weather has changed or your character returns to the same place)
- ➢ Use a range of sentence types – 2 pairs, emotion word, (comma), verb, person, noun, which, who, where
- ➢ Implicit and explicit characterisation
- ➢ Ambitious, descriptive vocabulary
