

**The Lowry Academy**

The best in everyone™

Part of United Learning

March 2022

Dear Parent/Carer,

On our return from half term we will begin the Year 9 End of Year assessments in the week beginning Monday 13<sup>th</sup> June. In order to replicate the formal nature of examinations, end of year assessments for English, Maths and Science will take place in the Sports Hall. Assessments for other subjects will be completed in normal timetabled lessons.

Students have been provided with revision materials and topic lists in their subject lessons alongside a copy of the countdown booklet. Materials provided for students include;

- **Countdown Booklet** – this includes revision tips and lists for each subject.
- **Lesson Materials** to aid revision
- **Knowledge Organisers** – these documents contain the core knowledge that students need to know for their assessments. They are useful for self quizzing and low stakes testing prior to complete past examination questions.

In order to support your child's revision at home please visit the assessments page on our website for electronic copies of materials shared with students in school. A number of documents, including past paper questions, can also be found in their online classes within Microsoft Teams. Students should use their usual school email address and school password to access Teams.

Assessments Webpage: <https://www.lowryacademy.org.uk/curriculum/end-of-year-assessments>

Please find a copy of the end of year assessment timetable for Year 9 included with this letter.

Should you have any further questions, please contact me directly via email; [martin.oldfield@lowryacademy.org.uk](mailto:martin.oldfield@lowryacademy.org.uk)

Yours faithfully,

Martin Oldfield  
Deputy Headteacher

Principal Mrs C Coy
