About Us

The Lowry Academy is an Ofsted 'Good' popular 11 -16 school in Little Hulton, Salford. We take our name from the local artist L.S Lowry, who is famous for paintings which capture scenes of industrial England. As part of United Learning, our aim is to bring out 'the best in everyone' and we continuously strive to ensure that students and staff here have every opportunity to do so. Our values are Aspiration, Respect, Resilience, Confidence and Creativity. Our students decided on these; they are what matters most to them. The bedrock on which our school community is built is the excellent relationships between staff and students and between students themselves.

At The Lowry Academy, we believe that our first priority is to help our children learn. We place this at the heart of every decision that we make and ask ourselves: will this improve student learning?

The Lowry Academy is very proud to be a multicultural, multi-faith community. We celebrate the diversity of our staff and student population and we encourage our students to celebrate their heritage but equally to be proud British citizens. We believe that having an understanding and appreciation of British culture and values is essential for our students in preparing them to participate successfully in British society.

United Learning

The Lowry Academy joined the United Learning Group in 2021 . United Learning Trust is a large, and growing, group of schools aiming to offer life changing education to children and young people across England.

Our schools work as a team, achieving more by sharing than any single school could. Our expert Subject Advisors, our Group-wide intranet, our own curriculum and our online learning portal all help us share knowledge and resource, helping to simplify work processes and manage workloads for an improved work-life balance.
