Principal's Notes

Dear Families,

England World Cup Match – Monday Morning

You will have recently received a separate letter regarding England's upcoming World Cup match against Mexico, which kicks off at 1am on Monday morning. To help students enjoy the occasion without needing to stay up late, we'll be opening our doors from 7.15am to show the match on our huge Forum screen. Students can enjoy a free breakfast and wear a football shirt - they will also be entered into a raffle to win a football shirt or one of 15 footballs.

Whilst we hope students enjoy this special event, it is important to emphasise that school will operate as normal on Monday, and we expect all students to arrive on time and be ready to learn. Attendance remains extremely important, and we appreciate your support in ensuring students attend school as usual following the match.

ArborPay – Final Countdown

Over the past few weeks, we have been sharing information about our move to ArborPay, which will go live this week. If your child purchases school meals, please ensure that you have logged into your Arbor account and added funds where required. Thank you to those families who have already completed this process.

Cultural Heritage Day – Tuesday

Next Tuesday, we will be celebrating Cultural Heritage Day. Students are warmly invited to attend school wearing heritage dress that reflects their cultural background. This may include traditional clothing, colours or accessories that represent their identity, culture or family heritage.

We are looking forward to celebrating the rich diversity of our school community together. Please read the information later in this communication for further details and guidance.

Looking Ahead – Warm Weather

Current forecasts suggest that temperatures may increase again from Wednesday onwards next week. We will continue to monitor the weather closely and will communicate any temporary uniform adjustments if necessary. In the meantime, please ensure that your child brings a refillable water bottle to school each day so that they can stay hydrated throughout the school day.

Thank you for your continued support.

Warm regards,
Claire Coy

Dear Parents/Carers

Re: Change to School Canteen Payment System (ParentPay to Arbor Pay)

We would like to inform you that we will be changing our school canteen payment system from ParentPay to Arbor Pay.

The changeover will take place on Friday 3rd July.

What you need to know:

- All existing Canteen balances on ParentPay will be automatically transferred to Arbor Pay.
- You do not need to take any action regarding your current balance.
- Please do not add any further funds to ParentPay after 11:00pm on Thursday 2nd July, to allow for a smooth transition.
- You will be able to add funds to your child's canteen account via Arbor Pay from Saturday 4th July.

Setting up Arbor Pay:

- Instructions on how to set up your Arbor Pay account will be shared next week.
- You will be able to start adding funds to your child's account via Arbor Pay from Saturday 4th July.

Support for families: If you experience any difficulties setting up your Arbor Pay account, students can still bring cash into school, which can be added to their account using the Reval machines on site.

If you have any questions, please do not hesitate to contact the school office.

Thank you for your cooperation and support.

Yours faithfully

M Passey

Change to School Canteen Payment System. ParentPay to Arbor Pay.

Dear Parents and Carers,

We will be changing our school canteen payment system from ParentPay to Arbor Pay. The changeover will take place on Friday 3rd July.

What you need to know:

All existing canteen balances on ParentPay will be automatically transferred to Arbor Pay. You do not need to take any action regarding your current balance.

Please do not add any further funds to ParentPay after 11:00pm on Thursday 2nd July, to allow for a smooth transition.

You will be able to add funds to your child's canteen account via Arbor Pay from Saturday 4th July.

· Please make sure you can log in to the Arbor Parent Portal before Friday 3rd July:

<https://login.arbor.sc/>

Further guidance on logging into the parent portal can be found here: **[Logging In to the Parent Portal & Parent App](#)**

· If you have any issues logging into the Parent Portal, please contact the school office.

Adding Money via Arbor Pay:

From Saturday 4th July, you will be able to add money to your child's canteen account using Arbor Pay via the Parent Portal or Arbor App.

To add money:

- Log into the Arbor Parent Portal
- Go to Accounts on the dashboard
- Select Meals (this will be available from 4th July)
- Click on the balance to open the account
- Select Top up Account
- Enter the amount and follow the on-screen instructions

Support for families: If you experience any issues using Arbor Pay, students can still bring cash into school, which can be added to their account using the Reval machines.

Important reminders

Do not add funds to ParentPay after 11:00pm on Thursday 2nd July.

All balances will be transferred automatically.

Arbor Pay will be available from Saturday 4th July.

Thank you for your cooperation in preparing for this change.

Matthew Passey

26 June 2026

Dear Parent/Carer

Re: Celebrating Cultural Heritage Day – Tuesday, 7 July

We are delighted to announce that on Tuesday, 7th July, The Lowry Academy will be celebrating Cultural Heritage Day as part of our Enrichment Day Programme.

This exciting event will celebrate the diversity of our school community. With over 40 nations represented among our students and staff, the day offers a valuable opportunity to recognise and appreciate the rich cultures, traditions, and identities that make our community so special.

The theme for the day is:

“Exploring cultural heritage – what it means, why it matters, and how it connects us all.”

Throughout the day, students will take part in a range of activities designed to deepen their understanding of cultural heritage. These will include exploring music, language, food, traditions, and identity. We believe that developing an awareness of different cultures fosters respect, curiosity and a strong sense of belonging.

Heritage Dress and Showcase Parade

Students are warmly invited to attend school wearing heritage dress that reflects their cultural background. This may include traditional clothing, colours, or accessories that represent their identity or family heritage.

By *heritage dress*, we mean clothing or items that reflect a student’s cultural background, family traditions, or national identity. This could include:

- Traditional or cultural clothing (e.g. saris, salwar kameez, dashikis, kilts, hanbok, abayas, etc.)
- Accessories that hold cultural significance (e.g. headwear, jewellery, scarves)
- This may also include uniforms from youth organisations that form part of British cultural life, such as Cadets, Scouts, and Guides

Heritage dress does not need to be elaborate or expensive. We encourage students to participate in a way that feels comfortable and meaningful to them. All clothing must remain respectful, appropriate for a school environment, and safe for normal classroom activities.

Principal Mrs C Coy

The Lowry Academy is part of United Learning. United Learning comprises: UCST (Registered in England No: 2780748. Charity No. 1016538) and ULT (Registered in England No. 4439859. An Exempt Charity). Hilton Lane
Worsley
Manchester
M28 0SY

t: 0161 529 5200
e: ask.lowry@lowryacademy.org.uk
w: lowryacademy.org.uk

To celebrate participation, we will host a Heritage Clothing Showcase Parade at the end of the day.
Please note:

- This is not a non-uniform day. Students who are not wearing heritage dress must attend in full school uniform. School shoes are to be worn by all students
 - Students wishing to wear heritage dress must apply in advance via the Microsoft Form shared on Teams. Full guidance will be given
 - The deadline for applications is Friday, 3 July
 - Approved students will receive a pass on Monday, 6 July. Only students with a pass will
 - be permitted to wear heritage dress
- Participation in the Showcase Parade will be by invitation. Students interested in taking part should speak with Miss Jones for further information

Additional Information

- Year 8 students should bring a change of footwear to support one of their activities
- Year 9 students will need to bring their PE kit for one of their sessions
- Further guidance will be shared with students via their form tutors

This day reflects our school values and provides an opportunity for students to celebrate who they are and where they come from in a positive and inclusive environment.

If you have any questions or would like to contribute to the day, please do not hesitate to get in touch.
Thank you for your continued support.

Yours faithfully

S Jones

World Cup England V Mexico

We know England have a big match coming up and it is going to be a late one...

Students can join us from 7:15am to watch the England V's Mexico on the huge forum screen, enjoy a free breakfast and wear a football shirt!

PLUS A RAFFLE TO WIN A FOOTBALL SHIRT OR ONE OF 15 FOOTBALLS FOR STUDENTS WHO ATTEND ON MONDAY.

We appreciate that many families will be interested in England's World Cup match taking place at 1:00am on Monday morning.

School will operate as normal on Monday and attendance remains extremely important. To help students enjoy the occasion without needing to stay up late, we will open our doors from 7:15am and provide breakfast while showing the match on our large screens. Students are encouraged to come along, enjoy the atmosphere with friends and start the week positively.

Students arriving in school on Monday:

- Can swap their blazer and shirt/tie for a football shirt or red/white t-shirt along with their usual skirt/trousers and school shoes.
- Watch the match from 7.15 am. Those arriving by 8 am will be able to stay in the forum to watch the full match even if it goes to overtime and penalties.
- Gain a raffle ticket to win a Football shirt or one of 15 footballs

Hopefully England go through but we will order a shirt from any country or team for the lucky winner.

We hope this initiative supports families while helping students arrive rested, ready to learn and present in school.

Join us from 7:15am on Monday to watch

England V Mexico

Watch on our huge forum screen,
enjoy a free breakfast
and wear a football shirt!

Those arriving by 8am will be able to stay
in the forum to watch the full match,
even if it goes to overtime and penalties.

All students who are in school on Monday
will be entered into a raffle to win a
football shirt or one of 15 footballs!

Quality of Education

Curriculum Spotlight – Drama

Why study Drama

Drama at Key Stage 3 encourages students to develop confidence, creativity and communication through practical performance. Students explore a range of drama techniques, working collaboratively to create, rehearse and perform original pieces inspired by a variety of themes and texts.

What Students are learning this half term and why it's Important

Year 7

Students have been developing their understanding of characterisation through practical drama activities. They have explored how to create believable characters using voice, body language, facial expressions and movement before applying these skills to scenes inspired by Charlie and the Chocolate Factory. Through performance, students have developed their confidence, teamwork and ability to bring well-known characters and stories to life.

Year 8

Students have been working on a devising project inspired by The Hunger Games. Using the themes of power, inequality and survival in a futuristic dystopian world, students have created their own original performances. Throughout the unit they have explored a range of drama techniques, developed their storytelling skills and worked collaboratively to communicate powerful ideas through performance.

Year 9

Students have been exploring Theatre in Education (TIE) through a devising project focused on the impact of social media. Students have investigated current issues such as online safety, peer pressure and digital wellbeing before creating performances designed to educate and engage a target audience inspired by poetry. This unit has encouraged students to think critically about contemporary issues while developing their performance, communication and collaborative skills.

Year 10

Students have successfully completed **Component 2 of the AQA GCSE Drama** course, where they worked collaboratively to devise, rehearse and perform an original piece of theatre in response to a stimulus. Throughout the process, students developed their creativity, performance and devising skills while exploring how to communicate ideas effectively to an audience. They also completed a written devising log, reflecting on their creative decisions, rehearsal process and the effectiveness of their final performance, helping to strengthen both their practical and evaluative skills.

How you can support at home

Encourage your child to talk about the themes and characters they have explored in Drama lessons. Watching theatre productions, films or age-appropriate performances together can help develop their understanding of acting and storytelling. Students can also build confidence by reading aloud, practising scripts or improvising scenes at home, helping them develop their communication, creativity and presentation skills.

Fun Drama Challenge

- Year 7 – Pick an everyday object and pretend it's something completely different. How many creative uses can you act out in one minute?
- Year 8 – Play a game of charades with family or friends, or create a 30-second scene using only actions—no words allowed!
- Year 9 – Watch a favourite TV show or film and think about how the actors use voice, facial expressions and movement to bring their characters to life. Have a go at recreating a scene yourself.
- Year 10 – Keep your performance skills sharp by learning a short monologue, practising character voices, or performing for family and friends. Every bit of practice helps build confidence for GCSE performance!

Education With Character

The Lowry Way

At the Lowry Academy, we believe education goes beyond the classroom. Through enriching experiences, we help students develop the qualities that matter most - Confidence, Creativity, Aspiration, Resilience, and Respect - our Lowry values. This week, these values have been at the heart of everything we do.

Education with Character: Student Leadership in Action

This week, our current Year 7, 8 and 9 Student Leaders took centre stage as they participated in interviews for Silver, Gold and Prefect Ties. Our newly appointed Principal Students led the process, working hard to interview candidates while brilliantly role-modelling the Lowry values at their very best. We have been delighted by the enthusiasm shown, with over 100 students now applying for leadership positions. It has been a real pleasure to see so many students stepping up, supporting one another and embracing the opportunity to lead. We look forward to continuing the interviews next week and to celebrating our successful candidates in upcoming celebration assemblies.

Salford Children's Book Award

On Tuesday, fourteen of our students were fortunate to take part in the Salford Children's Book Award this week. Having read all six shortlisted books and prepared two presentations, our fantastic team took to the stage in front of an audience of 300 people, alongside the authors themselves.

They delivered high-quality, confident presentations that impressed everyone in attendance. Our students were rightly praised for their hard work, commitment and exemplary character throughout the process. We are incredibly proud of how they represented the school and embodied our values so brilliantly.

These experiences together highlight our students' commitment to character, values, and virtues in action—demonstrating teamwork, leadership, responsibility, and a shared desire to contribute positively to our school community.

As always, thank you for supporting our work on Education with Character. You can further strengthen these values at home by encouraging children to try new things, reflect on challenges, celebrate effort, and show kindness within the family and community. Together, we help our young people grow into confident, compassionate, and resilient individuals.

Education With Character

Sports Day Success

On Thursday, we enjoyed a fantastic whole-school Sports Day, filled with energy, enthusiasm and exceptional team spirit. Students from all year groups participated in a wide range of events, showing determination, resilience and a real commitment to representing their houses with pride. From track races to field events, it was wonderful to see so many students getting involved and giving their very best. A special mention must go to our student leaders and PE staff who helped to organise and run the day so smoothly, as well as to those students who supported and encouraged their peers throughout. The atmosphere was electric, with plenty of cheering and celebration of each other's achievements. Sports Day was a brilliant example of our school values in action, and we are incredibly proud of the effort, sportsmanship and positivity shown by all.

Education with Character: Student Leadership in Action

On Friday, Our Year 9 students enjoyed an inspiring Enterprise Day this week, led by Adam Corbally, well known for his success on the BBC's The Apprentice. Throughout the day, students were challenged to think creatively, work collaboratively and develop their entrepreneurial skills. Adam shared his own experiences, offering valuable insights into resilience, innovation and what it takes to succeed in the world of business. Students embraced the opportunity with enthusiasm, demonstrating excellent teamwork, communication and problem-solving skills as they worked through a series of enterprise challenges. The day was a fantastic example of learning beyond the classroom, helping our students to build confidence and develop key skills for their future pathways. We are incredibly proud of their engagement and the maturity they showed throughout.

These experiences together highlight our students' commitment to character, values, and virtues in action—demonstrating teamwork, leadership, responsibility, and a shared desire to contribute positively to our school community.

As always, thank you for supporting our work on Education with Character. You can further strengthen these values at home by encouraging children to try new things, reflect on challenges, celebrate effort, and show kindness within the family and community. Together, we help our young people grow into confident, compassionate, and resilient individuals.

House Events This Term

10 House Points per event attended for you and your House!

House Events this term ...

This half term we have a fantastic line-up of House events designed to bring students together, spark creativity and ignite a little friendly competition. There's something for everyone and we can't wait to see students getting involved and earning those all-important House points!

Wednesday 8th July – Paper Planes with Miss Stubbs

Monday 13th July - House Winners Celebration Event featuring Lowry Rock Band

If you have any ideas for house events that you would like to see next month, please pass these to our student council and house captains.

Summer Safety Message

Important safety message from Salford City Council

As the school holidays approach, please make sure you and your children understand the dangers of jumping from bridges and swimming in Salford Quays, as well as rivers, lakes, reservoirs and other open water.

Too many young people have already lost their lives. Please help us prevent any more tragedies.

Key safety facts:

- The water in the Quays, rivers and lakes remains dangerously cold, even on the hottest days.
- Jumping into cold water can cause cold water shock, triggering an involuntary gasp reflex. This affects even strong swimmers.
- Gasping in water increases the risk of inhaling water and drowning. Jumping from height also forces the body deeper underwater, increasing danger.
- There may be hidden hazards beneath the surface that can cause injury or prevent resurfacing.
- If you swim outside an organised session with lifeguards, you are relying on your family/friends/members of the public to save you if you get into difficulties.
- Because of all these dangers there is a Public Spaces Protection Order in place which makes it against the law to jump from bridges and/or swim in Salford Quays except during organised swimming sessions with lifeguards where there is a safe ratio of lifeguards to swimmers.
- The bridges are monitored by CCTV and regular joint council/police safety patrols walk the area who will advise young people of the dangers.
- Anyone identified jumping from bridges may receive a warning letter and a home visit from the police.
- In previous years, several young people aged under 18 received a warning letter and home visit from the police while adults have been issued £100 fixed penalty notices for breaching the Public Spaces Protection Order.

The Quays is a wonderful area to visit and enjoy but we don't want that visit to end in tragedy.

It is also important to remember that many people call the Quays home and anti-social behaviour and littering can have a significant impact on residents. Being respectful and considerate helps ensure everyone can enjoy the Quays safely this summer.

To see activities for young people in Salford, please see the My City Salford webpages for information about what is on <http://directory.salford.gov.uk/>

IMPORTANT UPDATE - Free School Meals Guidance 2026

The free school meals (FSM) eligibility criteria has changed which requires a re-check of all current FSM claims to identify if and which scheme a child is eligible for.

Urgent Action Required – Schools using Salford FSM Service

To enable the re-checking of current FSM claims in line with the new legislation:

- A **data sheet** has been emailed to schools by Salford's Better Off Service
- Schools must **complete** and **return** this **data sheet by 30 June 2026**
- The return must include parent details, specifically **date of birth and National Insurance number** to allow eligibility checks.

What Happens Next:

- Salford City Council will undertake FSM eligibility checks during **June – August 2026** (subject to data availability) to confirm eligibility for the new academic year.
- **Existing parents do NOT need to reapply at this stage**

Please note:

- Any claims where the required data is **not provided** will **end on 31 August 2026**
 - And a **new application** will be required if families wish to continue receiving FSM
- Why do we need this information ?**

This information is required to identify if a child is **eligible for one of two schemes** - Please go to www.salford.gov.uk/fsm for more information.

- **Scheme 1 - Targeted free school meals (similar to previous scheme)**
for children in households in receipt of Universal Credit with annual household earnings of £7,400 or less. These children:
 - will get free school meals
 - will attract pupil premium and other disadvantage funding for their schools.
 - may be eligible for other education entitlements, such as the holiday activities and food programme (HAF) and school holiday vouchers
- **Scheme 2 - Expanded free school meals**
For children in households in receipt of Universal Credit with annual household earnings exceeding £7,400. These children will be entitled to **free school meals only. They will not attract pupil premium or access education entitlements.**

Transitional Protection ending 31 August 2026.

FSM eligibility was protected for the duration of a child's school phase during the roll out of Universal Credit. This has now ended and all claims need to be rechecked annually.

Pre-Loved Shop

The Pre – Loved Shop that we launched last year proved the kindness and generosity that our Parents and Carers always share when it comes to supporting our school events, our food bank, fundraisers and our Community at large.

So far this year we have helped over 40 families and now we find our pre-loved uniform running low.

If you have any pre-loved or unused uniform including blazers, shirts, skirts, trousers, ties and also P.E kit, please can you send it in to school with your child, or bring in your donations to our main office. Feet grow quickly, so any shoes, or trainers will also be gratefully received.

We are also creating some hygiene packs so if you have spare toiletries you can send in to us we would be most grateful.

We will be accepting uniform donations from Monday, June 8th until the end of the academic year so please check your wardrobes and drawers and send in what you can. All donations will be gifted a bag of sweet treats in return as a thank you.

Please know how much we value and appreciate your support. The need for assistance is greater than ever, with many families turning to us for help with the cost of school uniforms, especially those who have recently arrived in our Country and have little support available as they settle into a new Community.

Thank you in advance for taking the time and making the effort to continue to support us with this initiative.

Mrs Smith, Transition and Community Lead

Drop in!

Salford's **Neurodiversity Network**

A space for you to come and talk to services, meet other parents and families, learn about strategies and ask questions linked to your child's neurodevelopmental needs.

Thursday 9th July 2026
Drop in between 1pm and 3pm
Little Hulton Family Hub
Longshaw Drive, Little Hulton, Salford, M28 0BD

What's on this month?

- Drop in to talk, ask questions, and access support from Salford services
- Meet other parents/families and have a chat over coffee/tea and biscuits
- Bring in toys you don't use that are in good condition for a **"Toy Trade"** and swap it with a different one
- Opportunity to win prize vouchers!

Why come along?

- A first point of contact to support your child's neurodevelopmental needs
- Get advice tailored to your child and family's needs
- Connect with others and build your support network
- Discover local services and resources

Who is the Neurodiversity Network for?

The Neurodiversity Network sessions are for parents / carers of a neurodivergent child. Your child does not require a diagnosis for you to attend.

Sessions will be held across Salford each month

Contact us for more information: adminneurodevelopment@salford.gov.uk

Salford's Holiday Activity and Food (HAF) programme is a package of support for children and young people on benefits related Free School Meals.

Whether its arts and crafts, dance, sports or drama, Salford's #HAF2026 programme has something for everyone! A wide range of organisations have come together to deliver a range of activities across Salford.

HAF is free for school-aged children and young people who receive benefits-related free school meals. Find out more at www.salford.gov.uk/HAF

If you don't receive benefits, you may be able to attend some of the clubs. A small number of places are available for other eligible groups. Additionally, some clubs also offer paid places alongside HAF-funded ones, charges may differ from club to club.
