

A Message from Miss Wells

Dear Student,

Year 10 Mid-Year Assessment

When you sit your Mid-Year Assessments in January, you will have completed a quarter of your GCSE courses! The purpose of the Mid-Year Assessments is to ensure you are working at a level that will allow you to reach your full potential.

This web-page is intended to help motivate you to work/revise for up to two hours each night with a real sense of urgency and determination in an attempt to hit your 'Lowry 10' target each week. Remember, Lowry 10 is a way for you to remember to complete 10 hours of revision per week. This will include homework tasks as part of a structured revision programme and any additional after school interventions that you have been invited to. This six-week revision plan is useful for you as students, but also for parents, form tutors and subject teachers to gain an overview of how your revision is progressing. It is never too late to make improvements.

There is a free to use text to speech webpage here www.ttsreader.com which will help if you struggle to read large amounts of text.

This web-page provides guidance as to what you should be doing as part of your revision plan.

Make use of general revision sites such as Hegarty Maths, BBC Bitesize, Seneca Learning, YouTube and subject specific Twitter feeds for information and ideas, if you have access to the internet. In addition, use your knowledge organiser for revision tasks.

I hope that together we can help you to achieve results which reflect your full potential, but remember, how well you do is down to how hard you work now, so make sure you give this your best shot. So, in the words of Malcom X remember, "Education is the passport to the future, for tomorrow belongs to those who prepare for it today!"

All the best

Miss Wells

Assistant Principal (Assessment Data and Interventions)
