

Parent Survey

Dear Parent/Carer,

Your school is part of United Learning, a group of over 90 schools across England and we believe that however good we are, we can be better. For this reason, we run an annual parent survey so that we can understand your experience as parents/carers of a child at The Lowry Academy.

On Monday 31st October we will share a link via email and later in the week via our newsletter to invite you to take part in our 2022 online survey. This should take no more than 15 minutes to complete. We are interested in your views on a range of areas including how the school communicates with you, how you support your child's learning at home and your relationship with your child's school.

The survey is run by an experienced survey company called Edurio. Your school will not be able to identify you from your response, unless you write something in one of the free text boxes that identifies you or your child by name. To read our privacy statement in full, please click [here](#).

The survey has also been translated into the seven languages identified as most widely spoken across all of our schools: Arabic, Bengali, Polish, Romanian, Somali, Urdu and Punjabi. To hear the information above in these languages or in English please follow the relevant bit.ly link:
